
The Government of Mexico would like to invite you to the following side event at COP18

Title: Meeting the climate challenge: Mexico's contribution to a low carbon development
Date: Thursday 6 December 2012
Time: 20:15—21:45pm
Venue: Inside the Qatar National Convention Center (QNCC), Side Events Area
Room: 07

Major developments on climate change policy have taken place in Mexico over the recent months. This side event will provide up to date information on Mexico's contribution to a low carbon development, including policy planning, legal framework, NAMAs and national communications.

The expert panel will be comprised of:

Submission of the Fifth National Communication of Mexico

PhD. Francisco Barnés Regueiro. National Institute of Ecology (INE)

Status and results of the Special Programme on Climate Change

MSc. Luis Muñozcano. Ministry of Environment (SEMARNAT)

Climate finance in the Mexican housing sector. PPP experience in the housing sector. VESAC. Mexico's commitment towards a sustainable urban and housing sector.

PhD. Jorge Wolpert. National Housing Commissions (CONAVI)

Challenges and opportunities in the implementation process of the Mexican Law on Climate Change

MSc. Gabriela Niño. CEMDA

Municipal Climate Action Plans (PACMUN)

MSc Edgar Villaseñor ICLEI- Mexico
